Actor Show Aikawa (<http://showaikawa.com>) has been appointed as the “TOKYO AUTO SALON 2016 Ambassador” again this year, who serves as an honorary publicity representative of the show. In addition to being a very successful actor, Aikawa's activities extend to participation in various races and rallies to be committed to his work as a preacher of automobile culture. It will be his fifth year as the TAS Ambassador since 2012.

TOKYO AUTO SALON 2016 AMBASSADOR

“Congratulations on the holding of TOKYO AUTO SALON 2016.”

I am Show Aikawa who has been appointed as the Ambassador. This will be my fifth consecutive year to be appointed as the Ambassador for TOKYO AUTO SALON.

Meanwhile, the show has expanded in scale year by year, I feel very happy and honored to witness the increasing enthusiasm of the exhibitors and the visitors.

During the three-day of the show, I am going to take my time as much as possible to go around seeing as many cars as possible and get firsthand experience of the enthusiasm of the exhibitors and visitors.

If you ever see me at the show, I do hope you will address me casually. Though I might in turn barrage you with questions! TOKYO AUTO SALON embraces all kinds of cars – from the latest domestic custom cars to classic and import cars that I favor. Looking around for three days of the event will never make you tired.

As the Ambassador, I am dedicated to make the TOKYO AUTO SALON 2016 an exciting event. See you there!
