Important Notes on Press Conference Coverage

To prevent the spread of COVID-19, TOKYO AUTO SALON 2022 will be held under various restrictions in accordance with the guidelines of the government, local authorities and Makuhari Messe.

Both organizers and exhibitors will make every effort to avoid 3 Cs (closed spaces, crowded places and close-contact settings).

During the press conferences, depending on the booth and time of day, there may be a rush of media.

You may not be able to enter the target booth depending on how crowded it is. Please follow the instructions of the staff at each booth.

You may be directed to the standby queue. In such cases, please refrain from filming the press conference from the standby queue, aisles, or other booths.

Please also take advantage of the press conference live streaming at Auto Salon TV.
