Online auction by Yahoo! with BH AUCTION joins hands with TOKYO AUTO SALON "Tokyo Auto Salon 2022 Collection Car Auction" lineup confirmed

Tokyo Auto Salon Committee (Shinjuku-ku, Tokyo) is pleased to announce that "TOKYO AUTO SALON 2022", one of the world's largest custom car and car-related product shows, takes place from Friday 14 January to Sunday 16 January 2022 at Makuhari Messe International Convention Complex.

Immediately after the 2022 show, the "Tokyo Auto Salon 2022 Collection Car Auction" will take place on 19 - 23 January. This will be the first online auction of the cars on display at TOKYO AUTO SALON 2022.

The "Collection Car Auction" is a proven online auction on Yahoo! Auction, Japan's largest online auction service, that has already been held by Yahoo! Japan and BH AUCTION. The collaboration between TOKYO AUTO SALON and the Collection Car Auction has resulted in a completely new type of auction.

The auction lineup includes custom cars built by AUTO SALON's iconic custom car builders and popular racing cars from past races. Eight cars will come up for the Collection Car Auction, of which one will be auctioned for charity. The full amount of the winning bid, excluding fees, of the car for charity "Liberty Walk Kids Car Special Version" will be donated to the Scholarship Foundation for Traffic Accident Orphans.

Taking advantage of the online nature of the auction, the new "Collection Car Auction" will also feature rich content, including videos, which will provide information on the cars, their storage and maintenance conditions, as well as the stories behind each car and the thoughts of their owners. In order to ensure a safe, secure and smooth transaction, we have also introduced a personal identification system at the time of bidding. Those wishing to bid will be asked to submit their ID documents to Yahoo! beforehand.
